I Will Do A New Thing

1) Prophesy To Yourself.

2) Your Wilderness Will Become Rivers.

Isaiah 43:18 & 19. If you keep looking at your past it will always hinder your future. You can't drive that way. Reverse is only good if you need to straighten out your mistake or change direction. Think of it as if you're behind the wheel of a car.

Don't live in reverse! LIVE IN FORWARD!

"Forgetting those things that are behind..." Phil. 3:13.

"I press toward the mark for the prize of the high calling of God in Christ Jesus". Phil. 3:14.

Even God will create a new heaven and new earth someday. The past won't even matter compared to eternity, except to regret we didn't do enough for God. See: Isaiah 65:17 / Matt. 24:35/ Rev. 21:1 & 2 / Isaiah 66:22.

3) Get Rid Of The Old Habits.

II Cor. 5:17 (a) "Old things have passed away".

Don't look at them in the same old mundane, negative outlook as before. Cast off old habits and thinking that are weighing you down. (ex. fear, bondage, worry, addictions) "Old things have passed away..." (At least they should pass away after a reasonable amount of time when you are walking daily with the Lord).

4) All Things Have Become New.

II Cor. 5:17 (b). All things should become new.

Once we've become born again, the Holy Spirit begins the process of changing our desires, habits and thinking.

Be re-'new'ed by the Holy Spirit living inside of you. Now, it's all about pleasing God, and living a life that is a godly example, for others to follow.

Follow Him, so others will want to follow Him, too.

"...for I do always those things that please Him." John 8:29.

5) Face The New Year With A Smile ! : )

Have a urge and conviction to make this new year a year of change in your personality. Ask God to change you so your desires are more pleasing to Him so His Holy Spirit can work in and through you more. If you're not moving forward, you'll eventually slide downhill. Neutral is nothing but compromise. It’s a little of hot and cold. When a car is in neutral, it can be pushed in either direction, backward or forward.

DON'T let any person, circumstance or thought separate or distract you from the goals God has for you in this new year.

Romans 8:34-39.

Nothing can separate us from God unless we allow it to.

I Cor. 15:58.

CLOSING: When we keep busy serving God (witnessing & working for Him), the day-to-day cares of this life become less important.
II Cor. 4:18.
FOCUS ON THE FUTURE !!!

(not your present circumstances)

Think of it as being in a car and deciding which direction you want to go.

a) Reverse. (II Tim. 4:10)

b) Neutral. (Rev. 3:16)

c) DRIVE. (Phil. 3:13 & 14)

WHICH WAY WILL YOU DECIDE TO GO?

"Park" is only for rest & relaxation. Don't stay in "park" very long or the tires will wear out, the battery will go dead, and the engine will not start.

Once you 'drive' you'll be thrilled to realize how many places you can travel to. It's the same with God !!! He has some awesome breakthroughs for your life. YOU must decide to BELIEVE and RECEIVE and push your flesh aside, by going forward and letting God be in control. Trust Him to take you to your destination of breakthroughs. God is the "Navigator" or your Navigation System. You decide to obey and follow the commands (or directions), from His Word and Holy Spirit. If you get off course, just turn around and get back on track. Don't go over the cliff! Don't get in a wreck! Although He can be your Body Shop Fixer in the spirit realm and (once again) get you back on course. Don't waste your precious time going through all of that junk when you can save time in your precious life and get it right the first time.

GIVE HIM YOUR ALL! LET HIM TAKE THE "KEYS" TO YOUR LIFE & FOLLOW HIS DIRECTION AS HE "NAVIGATES" YOU TO YOUR ULTIMATE DESTINATION.
