WHY IS HOMOSEXUALITY IS WRONG

Romans 1:20-32

Verse #28 - “God gave them over to a reprobate mind”

I Corinthians 6:9 & 10 “Effeminate” means same sex attraction. A male acting like a female and vice versa.

Leviticus 18:22 - “Thou shalt not lie with mankind, as with womankind: it is abomination.”

More Verses:

(Sodom & Gomorrah) Genesis 18: 20 & 21 / Genesis 19:4;5;13;24-30

Matthew 10:15 / Luke 17:28-33. (Mentioning Sodom & Gomorrah)

No where else in scripture did God send down FIRE & BRIMSTONE upon wicked cities. He did it because of the homosexuality and other perverse sexual sins that were being committed there.

Truly, there ARE certain sins that will send people straight to hell. The Bible mentions these specific ones in Galatians 5:19-21. Again, I remind you of I Corinthians 6:9 & 10.

Other sins can affect our eternal soul’s destiny. Such as:

As bad as lying, cheating, stealing, adultery, fornication and other gross sins are (which will send people to hell), God did not send fire and brimstone upon people or cities to destroy them, for doing those kind of sins. I’m sure in Noah’s day, the sexual sins were awful, the world was destroyed, except for Noah and his family. God promised Noah, there would never be another flood to destroy the earth. God’s wrath is nothing to mess with.

We see in Revelation, that God IS going to pour out His wrath and judgment upon the earth (not Satan, but God). We need to take the Word of God more seriously and live our lives all the
way for God. The pleasures of this world are temporal.

So many have rejected God. Rejected receiving Jesus as their own personal Saviour. They’ll be in hell forever, unless they repent. No escape. Sad, but true!

Will that be you? Will you surrender everything unto Him? Will you flee this world’s passions, lust, drunkenness, sexual desires that are outside of the marriage contract (between a man and woman)?

Our culture does not dictate what is right and wrong. Judges 17:6, and Judges 21:25, said that at that time (in history) everyone did what was right in his own eyes. Isn’t that what our country is doing today? The culture, and their feelings, determine people’s convictions, not the Word of God! How tragic.

We, as true born again believers, need to step up and be bolder in our witnessing and ask people, “Do you know Jesus?” You just may be surprised how many are really wanting to know Him.

Many in the world today, have tried so much of sin they are ready to find the true happiness that only Christ can bring. It certainly takes a total surrendered heart, though, to have the “peace that passes all understanding” in knowing Him.

James 4:4 - “…friendship of the world is enmity with God…whosoever therefore will be a friend of the world is the enemy of God.”

We need to witness to the sinners, but not partake of their sinful lifestyles. When one is truly walking close to the Lord and sensitive to the precious Holy Spirit, that one knows right from wrong. That one knows grieving the Holy Spirit, will produce remorse, regret, repentance and very soon restitution.

May we be grieved over the sin of homosexuality and any other sin that clearly grieves our Lord. May we love the sinner, but flee from their sins. Pray for those who are lost. May we always live above reproach. May our integrity, love, passion for Christ and His Word, always be the compelling factor to propel us to stay even closer to God. May we walk even straighter on this earthly journey, that will someday end, as we ascend up into heaven, to meet Jesus!
