WHAT IS LOVE?

   ENVY - Painful or resentful awareness of another's advantages. Spitefulness, ill-will, hatred.

   Envy is wishing you had it.

   In other words, envy is "I want it."
   Jealousy is "They don't deserve it, I do."

Having a tolerance through trials so the trials
will not hinder you from your breakthrough.
You are not a quitter.
VERSE #13 - Faith, hope and love abides, but the greatest of these three is LOVE.

What should we seek after more and more in our christian (daily) walk? Love!

MoRe VeRsEs On LoVe:

The N.I.V. version says in I Cor. 13 - "love keeps no record of wrongs."

How can we do that? It's not that we lose the memory of it - we let go of the feeling of the hurt, disappointment and unforgiveness.

Turn your hurts over to God. Let Him soothe your heart. SEE: Psalms 147:3.

Love with God's love. "Perfect love casteth out all fear..." (I John 4:18)

Walk in God's love by determining in your heart that you will forgive others and allow the Holy Spirit to be your Guide, Comforter, Counselor, Friend and Lover. Let the peace of God rule in your heart, no matter what happens. No matter what you're going through. Satan may try to defeat you, but you don't have to let him steal your joy or love walk. It's not the circumstances that affect your joy and love, it's your reaction IN and AFTER the trials and tests that determine your faith and love walk. It's easy to love those who love you. Can you love those who don't love you or treat you nice? The love of God will prevail if you let Him have His way. He loved us when we were so unlovely. You, too, can love those who act ugly, hurtful and mean to you. You may have to keep your distance if God says so, but you still can
forgive and wear a smile, no matter how dark the situation may be. "The joy of the Lord is your strength". (Neh. 8:10) Remember - God loves you. His love is better than any other kind of human, earthly love anyway. His love endures forever. REJOICE! You are special to Him. You are loved immensely by God. Share that love with others who don't know His love like you do. Help others find their way to the Saviour. You know. So go and share. You'll be so glad you did. Someone out there will be forever grateful, too, because you shared the love and salvation message to help them find that inner peace and happiness they are searching for and that you already have found!
